

Greetings to all followers of the Baldock, Bygrave and Clothall Planning Group

We want to remind you about our meeting on **Thursday June 8th at the St Mary's Church Hall at 7 for 7.30**. This will be a very important meeting as it marks a step change in our activities towards writing the neighbourhood plan.

The stall at the Baldock Fair Market produced many ideas for how people would like to see the development proceed after the Local Plan is decided upon. It also brought forth a lot of positive comments about the town and area as it is now including things which people do not wish to change. These two areas are compatible and will help form the basis of the neighbourhood plan. We need to gather much more information and analyse it. We need your help.

The meeting will start with a quick review of the group's progress so far and will move on to considering what further research is needed. We hope to have a big crowd to participate in the discussion about how the group will extend its reach into the community to gather more opinions and ideas and also how these suggestions can be incorporated into a neighbourhood plan for the area.

One interesting meeting of which you might not be aware is The Highways Cabinet Meeting on Thursday 22nd June at 2.00 pm in County Hall when the campaign to downgrade the A507 to a B road will be discussed. The outcome will affect Baldock and Bygrave and could have a bearing on our neighbourhood plan. Google saferA507 for more information.

By opening our doors at 7 we hope to encourage those of you who would like to have a quiet chat with committee members to do so over a cup of tea or coffee.

SEE YOU THERE, FOR BALDOCK, BYGRAVE AND CLOTHALL.
