

BBPlan – 15th March 2018 – Public meeting

Dear Members

Our next public meeting will be on Thursday March 15th at 7.30, at Knights Templar School.

We want to tell you the results of our recent community survey and to consider our next steps towards writing the Neighbourhood Plan.

The Year 8 pupils at KTS have been working on a Geography project this term carrying out their own research into the future developments in Baldock and the surrounding area. They will be giving us all a short presentation on their findings.

We will also be holding a brief AGM of our planning group and we hope to see you there.

If coming by car please use car park gate no 2 and park in the main car park. If necessary we can use the tennis courts car park too.

The reception door will be left open for you.
