

Dear Members

The work of the Baldock, Bygrave and Clothall Planning Group is nearing an important stage.

The Plan is now drafted and almost ready to share with as many residents of the planning area as possible, to seek formal comments and feedback. This consultation is expected to take place in April-May. There will be two Exhibitions at the Community Centre and a Stall at the Baldock Street Fair. A draft of the plan will be available on the website. The consultation will be open for 6 weeks and detail of how we will collect your comments will be publicised at the start of the consultation. Exact dates will be announced in due course.

If you would like to help out at the Exhibitions or Street Fair then please email us on info@bbplan.co.uk.

In the meantime, the committee members are due for re-election. The current committee is made up as follows...

Rev'd Andrew Holford	Chair
Michael Bingham	Technical Consultant
Rob Hemmings	Treasurer
Philip Hills	Bygrave Parish Council Chair
Rachel Kelley	Clothall (with Luffenhall) Parish
Stephen Proops	Technical Communication Manager
Albert Sillwood	Secretary
Adrienne Waterfield	Project Manager
Christine Watson	Community Liaison Coordinator

There is a new sub group to the committee, which is reviewing Planning Applications within Baldock. Neil Brown, formerly of the Baldock Society, will be taking on the reviewing role and will report to the committee. The Technical Communications Management also becomes a sub group to the committee itself and will continue to be done by Stephen Proops.

Some of the posts cannot be changed at this stage but we are seeking nominations for the following positions.

Chair
Treasurer
Secretary
Project Manager
Community Liaison Coordinator

Existing officers in these posts have agreed to stand again but we would welcome new volunteers. Please send in your nominations to info@bbplan.co.uk by 31 March 2019.

We would also like to take this opportunity to remind you that the Local Plan consultation is now running until 11th April 2019. Please see the NHDC website for details.
