

Dear Members

Many of you will have seen the update that we posted in February's 'On Our Doorstep' stating that, following approval from members at our meeting in November, we submitted the Neighbourhood Plan to NHDC on 16th December.

NHDC are obliged to consult on the draft plan prior to its examination. The document they will be consulting on is essentially the same as the one circulated to members prior to our meeting in November, and which tried to address as many as possible of the points raised during our own consultation on the draft plan last summer.

On 28th January, the NHDC Cabinet approved the plan to go forward to consultation, which will run from 12 February for 6 weeks until 25 March. Please see the link below for details

<https://www.north-herts.gov.uk/home/planning/planning-policy/neighbourhood-planning/baldock-bygrave-and-clothall-neighbourhood-plan>

Following this consultation, an independent inspector will be appointed to review the plan.

Thank you for your continued support.

The Baldock, Bygrave and Clothall Planning Group Committee
