

BBPlan Newsletter 20<sup>th</sup> April 2021

Dear Member

You may remember that we emailed you back in February to share the good news that the NHDC has voted to approve the Baldock, Bygrave and Clothall Neighbourhood Plan and that there remains one last hurdle before the plan can be fully adopted and stand alongside the Local Plan when planning applications are being considered.

We are nearing the day of the vote on 6<sup>th</sup> May. So, we are ramping up our publicity to try to ensure that all residents understand what they are being asked to vote for and that we get as many people saying “yes” as possible.

We have created some posters which you will see appearing around the town in the next few days and we will be advertising on Facebook, as well as in the town’s very popular On Our Doorstep magazine.

We would really appreciate your help to spread the word, please.

The posters can be downloaded from the website [www.bbplan.co.uk](http://www.bbplan.co.uk). If you are able to, it would be great if you would display one in a prominent window or pass details onto your friends and family in the area. We also have some larger posters (A3) on placard stands, which would be great to be planted in front gardens where you are in a prominent position around the town.

Please contact us on [info@bbplan.co.uk](mailto:info@bbplan.co.uk) if you would like a printed copy of the smaller poster for your window or you are able to display a placard in your garden for us.

Thank you for your support
