

Vote to support the Neighbourhood Plan!

On 6 May, alongside the local elections, you have the chance to vote 'yes' to the Baldock, Bygrave and Clothall Neighbourhood Plan

The Neighbourhood Plan is a non-political document produced by local community groups. It is entirely separate from North Hertfordshire District Council's Local Plan, which is the plan proposing Baldock's expansion.

**YOUR
VOTE
COUNTS!**

The Neighbourhood Plan is all about getting the best deal for you from any development which does happen here in future:

- ✓ Better facilities: more cycleways and places to meet and play sport
- ✓ Buildings which are well designed and minimise their environmental impact
- ✓ Protecting and improving key areas of open space, and the town's character
- ✓ Maintaining a clear gap between Baldock and Bygrave

Voting 'yes' for the Neighbourhood Plan is not a vote for or against the town's expansion, it is a vote for making Baldock, Bygrave and Clothall even better places to live! To find out more please see our web site: www.bbplan.co.uk
